Effect of the new numbering system

The effect of the new numbering system will be to make the major requirements easier to describe and track, because courses in key categories will be clustered by number ranges, as follows:

Requirement		Courses
Core Courses		PSYCH 110 PSYCH 201 PSYCH 205
Personality, Clinical, or Social Psychology	Foundation Courses	PSYCH 210-219 PSYCH 300-319
	Upper-Level Research Courses	PSYCH 360-369 PSYCH 390
Cognitive Psychology or Neuroscience	Foundation Courses	PSYCH 220-239 PSYCH 320-339
	Upper-Level Research Courses	PSYCH 370-379 PSYCH 391
Cross-Cutting or Integrative	Foundation Courses	PSYCH 240-259 PSYCH 340-359
	Upper-Level Research Courses	PSYCH 380-389 PSYCH 392
